

MIXING THINGS UP

APPLICATION SUCCESS WITH AMPCO

POLYMER INTO INDUSTRIAL WASTE PRODUCT

ISSUED BY

Mary Augustine

DATE

February 4 2019

BULLETIN NO.

1006.5.2019

SBIR20-180TC

INDUSTRY

Industrial waste treatment

CHALLENGE

The customer was previously using an in-tank mixer but could not get the polymers to breakdown as required.

SOLUTION

The SBIR20 does a great job of blending the product inline and reduces processing time to collect the waste. [SBI Brochure](#)
