CB+

Ampco offers the most complete product line because we've been the leader in AC Series innovation for the past two decades:

- 2000 - Stainless steel adapters
- 2007 - AC+ shaft design
- 2008 - IC+ industrial models
- 2015 - CB+ seal design

All Ampco AC/AC+ pumps and parts are made to Ampco drawings and specifications and held to our rigid quality standards. In addition, only Ampco offers:

- Industry leading customer service and technical support
- Over $1 million of on hand inventory
- Performance testing of all pumps sold with motors
- One day delivery on parts
- One week delivery on pumps
- Competitive pricing

Customers depend on us for the best pump, at the best price, in the shortest time frame. If you aren't already using Ampco AC/AC+ pumps please contact your local Ampco distributor or our Milwaukee office for more information.
