

## FOR IMMEDIATE RELEASE

### **Ampco Pumps Company welcomes Lee Holliday as the new Regional Sales Manager for the Southeast Territory**

February, 17 2026

GLENDALE, WI — Ampco Pumps Company, a leading manufacturer of pumps and mixing & blending equipment for sanitary and industrial markets, is pleased to announce Lee Holliday as the new Southeast Regional Sales Manager (Tennessee, North Carolina, South Carolina, Georgia, Florida, Alabama, and Mississippi).

Lee joins Ampco Pumps following a distinguished tenure in process technology for the food and beverage, pharmaceutical, and chemical industries. His extensive background in process engineering and high-shear mixing equipment gives him a unique vantage point on the complex fluid-handling challenges faced by processing facilities.

Holliday's technical proficiency with these complex systems and solutions-focused approach will be an invaluable addition and enhanced support for Ampco's partners and end-users in the region.

Lee's responsibilities also include managing sales activities, supporting the company's valued distributors, and expanding Ampco's presence across the Southeast territory.
